Dear Director for District Licensing,

I read with interest in our local newspaper, the Jarrell Star Ledger, yesterday a Public Notice seeking comments from the public concerning the Community Bank of Jarrell's application to your office to open a full service branch in Jarrell.

I whole-heartedly support this application. I have owned a number of properties in the Jarrell area for many years and am very active in Jarrell's business and civic affairs. I believe that having a full service bank to serve both the consumer and commercial banking needs of our Jarrell community will be a terrific thing – and something that is long overdue. I am especially pleased that a bank of the quality of the First National Bank of Fort Stockton and their highly experienced team of bankers has chosen our IH-35 corridor of Central Texas – and specifically our Jarrell Community – in which to expand.

So please accept this letter of support for the Community Bank of Jarrell's expansion plans. This is a very good thing.

Sincerely yours,

Mike Elliott
