Dear First National Bank and Donicia Chavez,

I would like to thank you for your generous contribution to my pursuit of higher education. This endeavor would not be possible without your support. This scholarship made possible by your donation will enable me to take speech and psychology classes this semester, which will allow me to get the dual credits needed to graduate high school and continue to pursue a college degree. With this scholarship, I will be able to continue to pursue a career in Petroleum Engineering. I again thank you for the scholarship and your generosity.

Dan ~

This is a personal note to you - THANK YOU for never turning me away. You have given so much to FSCT - the whole damned building; the bank's lobby for Silent Auctions, your thespian talent (Arsenic and Old Lace was absolutely fabulous because of you - CHARGE!), your grudgingly willing donations to help our productions - you really saved my "come se llama" this year with Barrio Fest - that thang is costing us a bundle $@?! Thank you!

I still miss you and Misty in Rotary - you left me to face Kirby by myself, you rat!

If I can ever do anything for you, besides leaving you the hell alone, just let me know.

Best always!

Alice

Dear Dan:

The Barrio Fest III Planning Committee thanks you and the Board of Directors of First National Bank for the generous donation that you made on August 16, to help sponsor the events of this year's great celebration.

Our past two celebrations have been successful, and we are expecting even bigger things this year. Besides our Educational morning for third graders in our area on Friday, September 13, we will have a live performance of the bilingual play *Real Women Have Curves* by a group from San Antonio. Mariachis from San Antonio and Ballet Folklorico dancers from St. Edwards University will also be here. There will be a Legends of Baseball Tournament Saturday and Sunday in Rooney Park between Fort Stockton and Pecos teams. Your donation makes it possible for us to offer these activities, and more, free of charge.

Our sponsors will be recognized with signage at the event as well as being listed on the Barrio Fest website (texasbarriofest.com). Thank you for contributing to this Celebration of the Hispanic History, Culture, and Traditions in Fort Stockton.

Sincerely,

Alice

Landgraf Thanksgiving Letter – 2024

Greetings from Odessa, Texas! Here's the latest from our family to yours.

Daughter, Mary Louise, and her husband, David Krebs, have been busy this Fall, because they help host a tailgate at all the Texas A&M home football games. Their oldest, Billy (18) is a freshman in Company L-1 in the Corps of Cadets at Texas A&M; John David (16) is a Kingwood High School varsity football player, and Luke (14) is on the KHS freshman football team.

Son, Brooks, serves as our West Texas State Representative and is gearing up for the 2025 legislative session; his wife, Shelby, works for the best-selling author Robert Edsel and his Monuments Men and Women Foundation.Their daughter, Hollis Rose (9), claims reading and social studies as her favorite fourth grade subjects and enjoys softball and dance after school.

Daughter, Elizabeth, and husband, Chad Cliburn, along with their two children, Eloise (12) and Conoly (9) moved into their new house this summer; their address is now 28 Spalten Ridge, Boerne, TX 78006. Eloise just finished volleyball and has started basketball with her school; Conoly has added baseball and lacrosse to his repertoire.

John is still working full-time at LCA, and LCA celebrated its 45th Anniversary in May. Mary Louise and Beverly planned a 40th Birthday Girls' Trip honoring Elizabeth and Shelby, and it came to fruition in Sedona, Arizona, in October.

Yes, be bold and strong! Banish fear and doubt! For remember, the Lord God is with you wherever you go.
Joshua 1:9 The Living Bible
